ORGANIZATION ALIGNMENT – FIT MAPPING

In the world of work, knowing where to go and what to do requires “big-picture” thinking.

The ORGANIZATION FIT MAP is a visual indicator showing core functions universal to most organizations. More importantly, it suggests areas where YOU may be most impactful within any organization.

Understanding your location on this map can help you directly communicate and establish value when re-evaluating your current role, assessing a new job opportunity or even transitioning into a new field.
